Darlene – can you check with OCSPP to see if we can move the AA aldicarb briefing to Monday or Tuesday next week because one of our presenters will be off on Wednesday?

Thanks,
Marietta

Hi Marietta, See Mike's email below. If the meeting cannot be rescheduled Mike is available to do the HED part of the presentation.

I asked them to re-schedule so Will could do the briefing since he did the work, and he's off Wednesday. But if they can't, I can do it.

Do you want me to try and see if Alex can move this or do you have someone who can cover on Wednesday? thanks

Marietta, Catherine, Dan:

The final aldicarb slides are on their way to the RD/IO this afternoon, but I also wanted to let you know that the HED presenter(s) will not be available for the currently scheduled Alex briefing on aldicarb for Wednesday, November 25th. All presenters from the Divisions are available on Monday (11/23/20) and presumably for the afternoon of Tuesday (11/24/20), so it may be prudent to ask the AA for a potential rescheduling for earlier in the week, if feasible.

Also, I wanted to circle back and ask if you and the RD/IO would prefer to see the slides before we also send them out as part of the meeting invitation for the DD briefing tomorrow. Let me know if you have any preferences on this particular item, as well.

Best regards,

Marion J.
